**MOTION**

MOVED:

The MTA Annual Meeting will endorse the following NBI to be proposed at the 2024 NEA Rep. Assembly:

“The NEA, in solidarity with UAW President Shawn Fain’s call for aligning union contract expiration dates and the broader labor movement, will assist interested local affiliates in working together to begin aligning the expiration of their contracts with one another. “

SUBMITTER’S RATIONALE:

---

If we’re going to take on the fight to improve working/learning conditions, we need to fight and fight together. Coordinating contracts and aligning demands is a big way to say we are here and we aren’t “just settling” anymore.
