SURVEY INFORMATION & HIGHLIGHTS

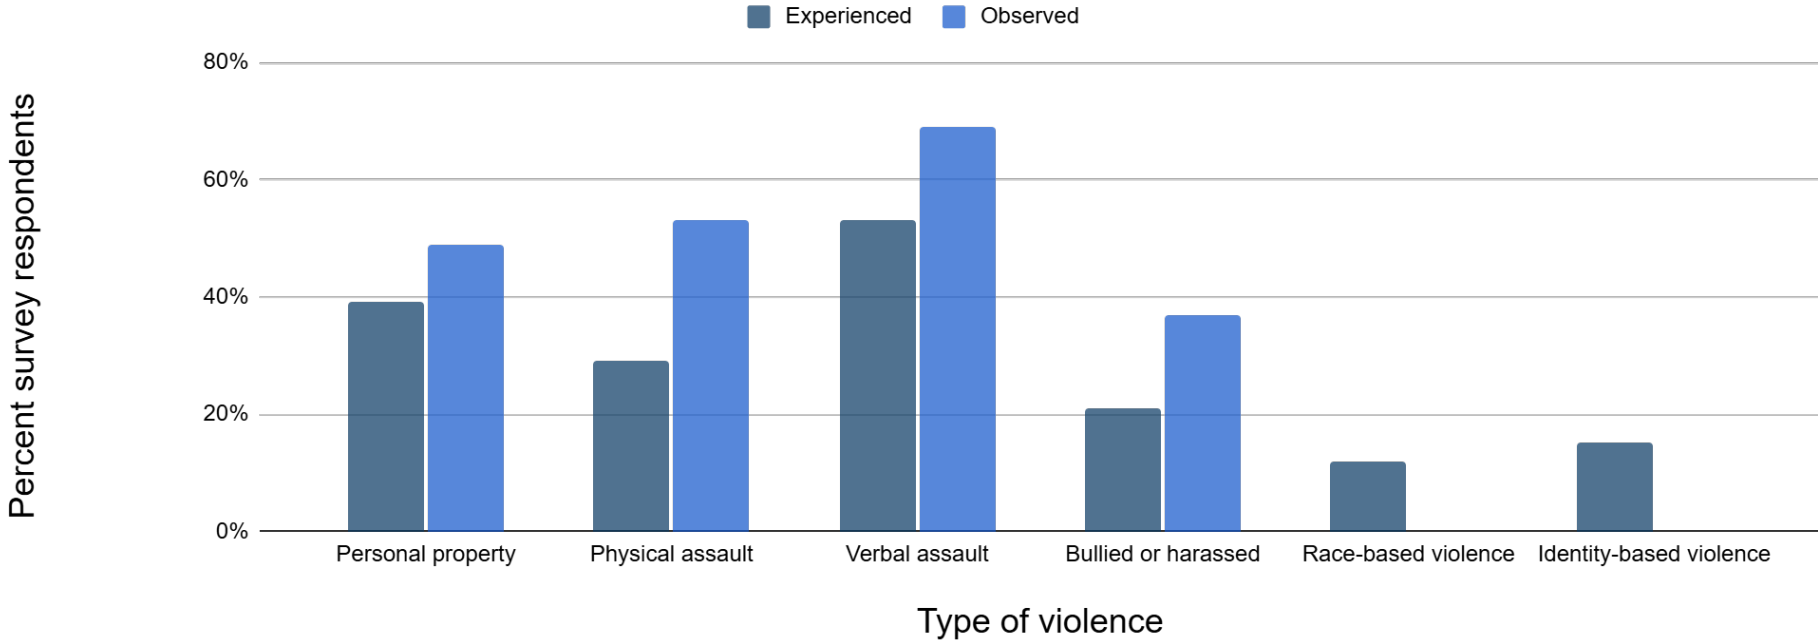

- Created in response to widespread demand in the absence of reliable information about educators' experience
- Fear of retaliation, isolation
- Many members want to stay anonymous (half of storytellers requested anonymity)

- Open to all members
- So far, 1,550 responses from over 120 locals in 3 weeks
- Over 150 stories told on instances of verbal and physical assault as well as various types of threats and harassment

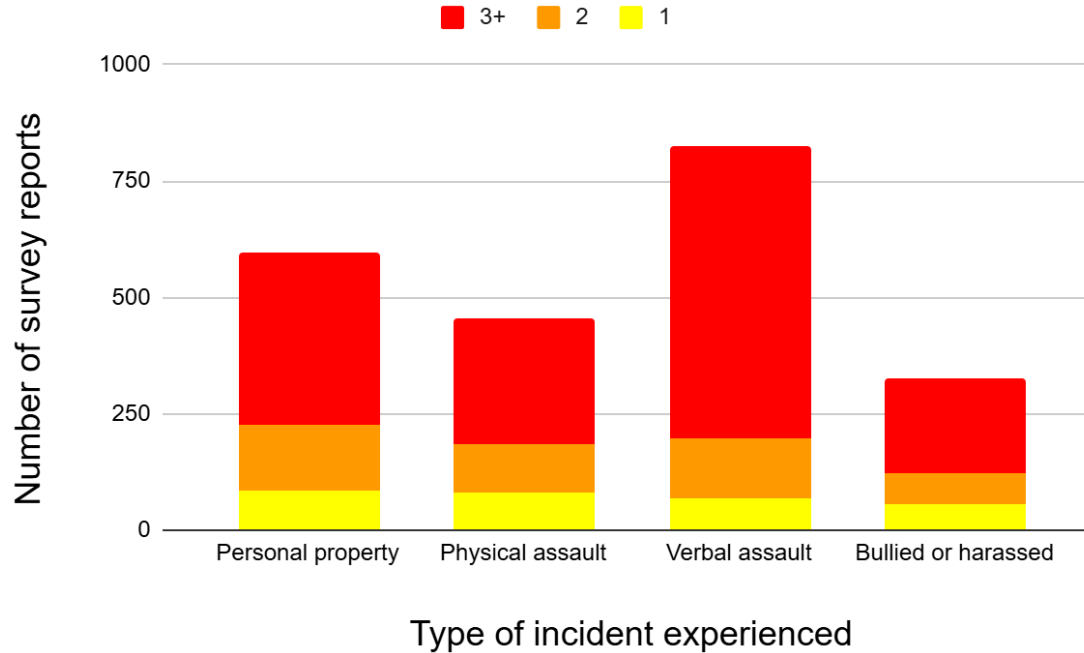

WHAT GRADE LEVELS DO YOU WORK WITH?

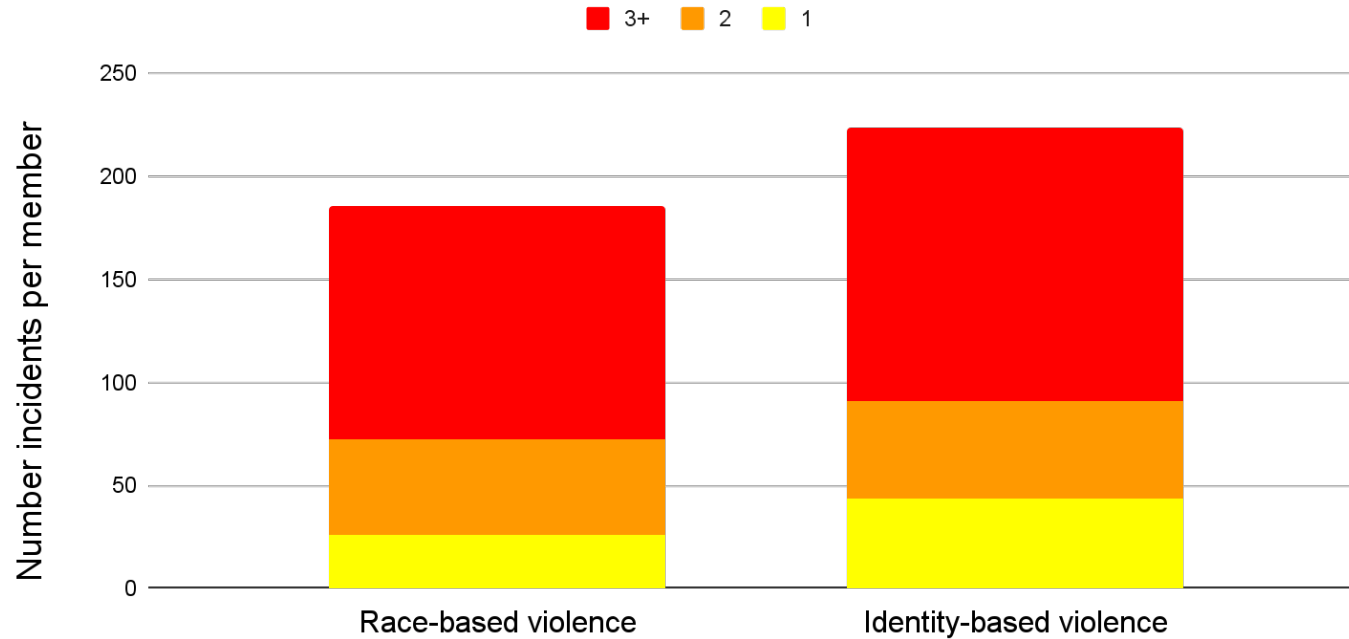

TYPES OF VIOLENCE EXPERIENCED & OBSERVED (N=1550)

NUMBER OF VIOLENT INCIDENTS EXPERIENCED PER RESPONDENT (N=1550)

OBSERVATIONS OR EXPERIENCES OF VIOLENT INCIDENTS PER MEMBER (N=1550)

Was violent incident based on race or identity?

SCHOOL POLICIES AND WORKPLACE SUPPORTS

My school provides sufficient resources, staffing, financial support and wraparound for dysregulated students in need of mental, behavioral and physical health services. (school counselors, social workers, therapists, SEL, time-out rooms, etc.)

I feel supported and listened to by the district leadership when it comes to issues of student behavior and classroom management.
